

A black and white line drawing of a summer picnic scene. At the top, the words "HELLO SUMMER" are written in large, bubbly, outlined letters. The scene is framed by various summer items: flowers, strawberries, and watermelon slices. In the center, a squirrel sits in a wicker picnic basket. To the left of the basket is a glass of juice with a straw. In front of the basket is a large, smiling watermelon slice. A checkered picnic blanket is spread on the ground, covered with various fruits like strawberries, watermelon slices, and apples. A butterfly is flying above the basket. The entire scene is enclosed in a rounded rectangular border.
